# AGE CLASSIFICATION

All ACC carnivals use one age cut-off date for age group classification. This date is 30<sup>th</sup> June.

Competitors are permitted to compete in one age group only, for all events. A competitor who qualifies to compete in U14 (i.e. was under 14 years of age on 30<sup>th</sup> June), but elects to compete in U15 for his or her FIRST EVENT, must remain in U15 for all other events, including relays.

The Junior and Senior age categories within each division of carnival are as follows.

	Junior	Senior
A, B, C, D, E & F Divisions	U13, U14 & U15	U16 & U19
G, H & I Divisions	U13 & U14	U15 & U19

# TROPHIES

At all carnivals, trophies are awarded in the following 7 categories:

Junior Boys	Senior Boys	Aggregate Boys	Combined Aggregate
Junior Girls	Senior Girls	Aggregate Girls	

If a category has two schools with equal highest scores, the schools involved will share the trophy.

## POST CARNIVAL

In conjunction with the 'Conditions of Participation', it is agreed that in the post carnival period the ACC management will additionally scrutinize all results from the ten carnivals. This stage of the scoring process represents the final determination of results. If points scores differ from those announced at the carnival the schools involved will be notified and minimum process used should any trophies need to be transferred. The final point tallies will be published on the ACC website and in the ACC Yearbook.

# COMPETITION RULES

- All events are conducted under IAAF rules unless stated otherwise in this booklet or the athletics charter.
- Competitors are to compete under one registered number only. Their number must be written legibly on the back of their left hand.
- For all track events, competitors **MUST** report to the marshalling marquee before the event to register their name and number. Marshalling marquees are located adjacent to the start of the event type.
- If a competitor equals, but does not better the record, the record is considered as a shared record.
- Competitors are not to be inside the arena unless they are competing in an event.
- There is no limit to the number of events an individual competitor may compete in.
- Competitors are to be dressed in the official athletics uniform of their school. The Chief Referee has the power to disqualify a competitor who is not suitable dressed.
- A high jump competitor must at least clear the starting height to be awarded a place and therefore points.
- In relay events no student, coach or staff member is to be inside the arena. Athletes must remain on the outside of the track or in the marshalling marquee while waiting for their event.
- All throwing instruments are supplied. Personal throwing instruments are not to be used.
- Start Rule: Only one false start per race is allowed without the disqualification of the athlete(s) making the false start. Any athlete(s) making further false starts in the race shall be disqualified. Any competitor(s) responsible for the first false start will be warned. At the same time, all the other competitors will also be warned. Any athlete making a further false start will be immediately disqualified.
- Footwear must be worn by all competitors in all events. Spikes can be worn in all events except for discus and shot put. Spikes must conform to the following rules; 1. All spikes must be blunt Christmas Tree, Pyramid/Cone shaped. Sharp needle point spikes are not allowed; 2. Track spikes must not exceed 7mm and field spikes must not exceed 9mm, except for Javelin and High Jump which must not exceed 12mm.
- Crouch start and use of blocks are optional.

## SIMULTANEOUS TRACK/FIELD COMPETITORS

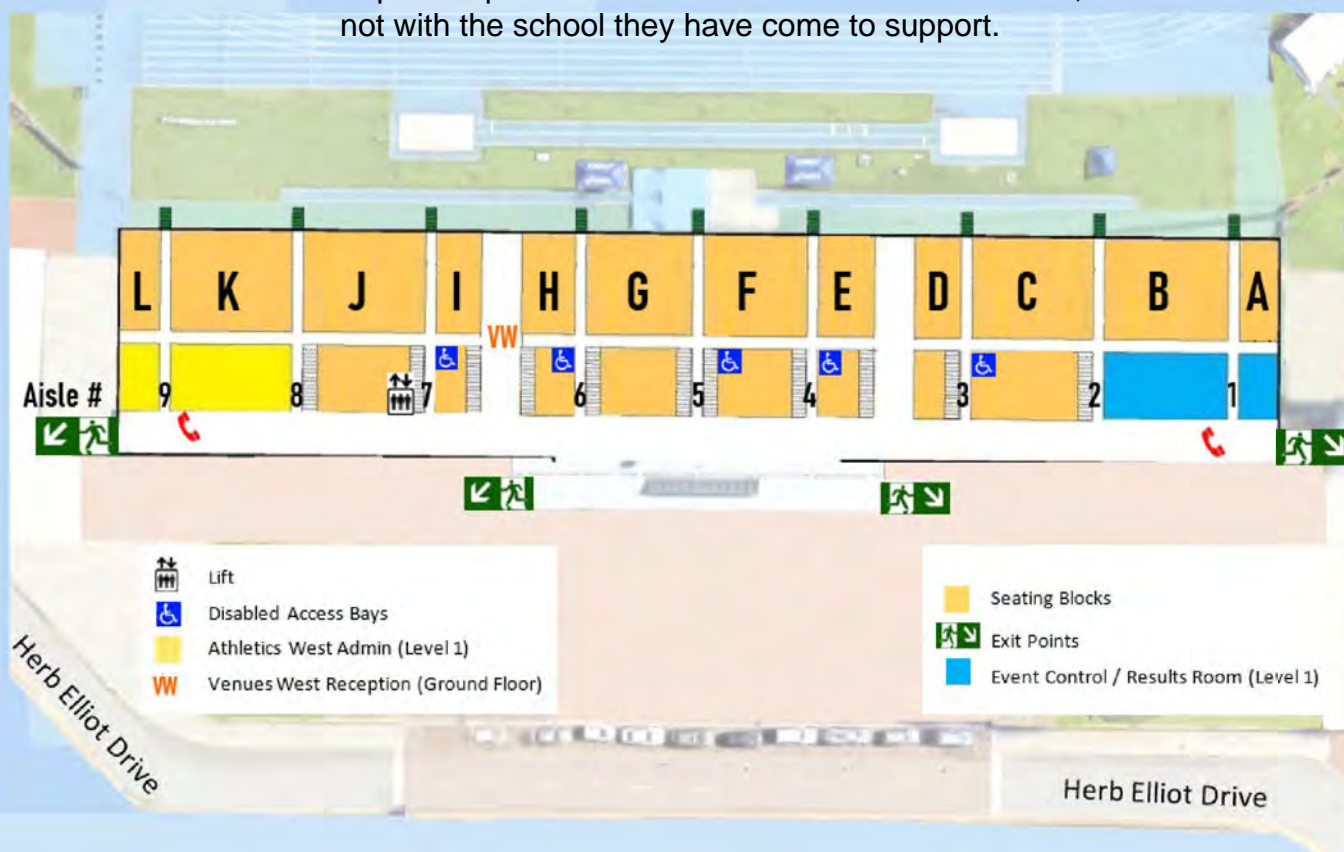

- Field and track event athletes are permitted to leave the field and re-continue after having competed in the track event.
- Field event officials will only wait for the return of competitors up to 15 minutes after the start of the next event at that location. If it is the last event of the day at that site the official will wait 15 minutes after the last competitor.
- To avoid having to return to the field event, a competitor has the option of completing his/her three attempts in succession, outside of the normal tries order, except high jump.
- The “returning” competitor in high jump events must re-commence jumping at the current height.
- Track athletes can also use a “dummy” student to marshal for their track event if they are caught up at a field event.
- Competitors may only leave a field event if they have reported to the site and had their name and number registered in the event.
