PRAYER

God of compassion, God of all people,
we praise you for your servant, Mary
MacKillop, who gave her life to serve you in
the poor and oppressed.

As she is honoured in our world, may we
continue to learn to share her vision.

Help us to recognise, as she did, that the
poor of our time will hear the gospel in the
way we serve them. Be with us as we strive
to follow her and carry out our mission of
service and care

Amen

ST MARY STAR OF THE SEA

FROM THE PRINCIPAL'S DESK

Dear Parents, Teachers and Friends,

There is a Swedish Proverb which states that, "The best place to find a helping hand is at the end of your own arm." Proverbs have the knack of implying that solutions to problems sometimes means walking a long, bumpy road. One such road that adults and children have to walk is that of anger.

Anger occurs as perhaps the third emotion of an experience; frustration is just ahead of it and ahead of frustration is the trigger which might be a feeling of hurt brought about by being betrayed, teased, left-out, ignored, neglected or overwhelmed by a particular problem or workload.

Nobody makes you angry. You have the power to choose your feelings and you have the power to decide what to do with your chosen feelings in any situation.

When dealing with anger in children, we need to keep in mind that children 'do' actions but they are not their actions; children might create unpleasant situations but they themselves, are not the unpleasant situation. So when it comes to addressing the results of anger, we need to take care not to punish the person but seek ways to make up for the inappropriate situation created.

Of course, the development of positive habits from an early age will result in healthier and happier lives for our children, ourselves, and our friends.

ATHLETICS CARNIVAL DAYS

The school athletics days are being held tomorrow and Friday on the Town Oval. All are welcome to come and cheer the students on as they do their best to represent their Factions. These days are used to help select competitors for the ACC Secondary Athletics Carnival and the Primary Interschool Athletics Carnival.

THE ASSUMPTION OF THE BLESSED VIRGIN MARY

Next Tuesday, a mass will be held for the feast of The Assumption of the Blessed Virgin Mary. As one of the few Holy Days of Obligation, all classes will attend this mass. Parishioners are welcome to join the school community for this mass.

YEAR 10 PARENT/STUDENT INFORMATION NIGHT

Next Wednesday evening, an information night for all students in Year 10 and their parents is being held in the library beginning at 6:00 pm. At this meeting, the parents and students will hear from post school employment and education providers regarding Year 11 and 12 and post school destinations. This is an important night as the students weigh up their preferred pathways for the coming years. All are expected to attend.

UPCOMING PROFESSIONAL DEVELOPMENT DAY

Friday the 18th August is a staff professional development day, and as such this is a pupil free day.

POSITIONS VACANT

St Mary's is currently seeking a groundsman, start date negotiable and a canteen assistant, start date 10th October. If there are school community members who may be interested in either of these positions, please contact the office for further information.

Thankyou to all the parents, staff and who attended on Sunday 30th July to support our students.

ST MARY STAR OF THE SEA

FROM HEAD OF SECONDARY

Career information is a focus for Term 3 for our students. Year 9 students all attended a Career Taster on Monday, August 7 at the Trade Training Centre in Carnarvon and experienced the Building and Construction Certificate.

'I enjoyed the construction career taster because it had good hammers and equipment!!'
It made me think of going into the construction industry because it taught me the basic skills that are required for construction.

It will was great to get of the classroom and do something hands on.'

😊 **Jenny Pham Pham, Year 9**

Year 9 students will all enjoy another Career Taster next week on Wednesday, August 16 about Horticulture and Agriculture at the TAFE in Carnarvon.

This **Wednesday, the 16th of August 2023 at 6.00pm**, we will be holding a Parent Evening for all Year 10 students and their parents. This will take place in the school hall.

The aim of the evening is to provide information required to effectively support Year 10 students towards subject selection for Year 11 and graduation in 2025 with the Western Australian Certificate of Education (WACE).

We will have multiple presentations from the College and external agencies such as TAFE in Carnarvon and Geraldton, ViSN (online subjects on offer) and mining companies. As well, it will provide the opportunity for parents and students to meet with myself and Mr Liam Chinnery (Year 11 and 12 Coordinator) to discuss how we can all work together to support, guide and encourage Year 10 students to achieve their goals and dreams.

Items to be covered during the presentation will include:

WACE and graduation requirements

General and Vocational Education and Training (VET) subjects

Australian Tertiary Admission Rank (ATAR) subjects

Workplace Learning (WPL) and TAFE subjects

University and TAFE entrance requirements

The following week, all Year 10 and 11 students and parents will be invited to a one-on-one meeting with myself and Mr Chinnery to choose their Year 11 subjects.

This will support our senior students in making successful decisions to prepare for WACE graduation.

YEAR 12 RETREAT

The Year 12 students went to Geraldton last week for their Retreat and shared stories of their life and goals for the future. The College is very proud of our Year 12 students, who have grown into reflective, thoughtful and wonderful young people.

'We had a week of learning and growing as individuals and as a class. The week was about looking back and reflecting on our school time while also looking into our next chapters of life after graduation. We explored the city, looking at the church and the history of our diseases that came from it, taking a ride through the board walk, watching a movie and getting a chance to do some shopping through the main stretch of the city. The week was full of fun, games and reflection and I believe we all gained something from the camp.'

CRITTERS UP CLOSE

On Friday 4th of August, we had an incursion in the JLC of "Critters up Close".

We saw lots of creatures like lizards, snakes and birds.

We were able to feed the owl some worms, and some of us even held an olive python!

It was so cool!
